## GILROY, WALL, AND LEIGHTY MAY YET RETURN TO SQUAD

By LOUIS A. DOUGHER.

Georgetown may not lose Johnny Gilroy, Capt. Petie Wall, or Orland Leighty, three of its star backfield players, after all. All three are dental students, and it is understood that the War Department will shortly order all medical and dental students drawn in the selective draft to return to their studies until graduation. The army needs dentists and physicians more than it needs soldiers, and the Hilltop institution may benefit by this condition of affairs.

If Wall, Leighty, and Gilroy appear at Georgetown, Coach Exendine will have only left end, right guard, right tackle, and right half to fill. The great backfield, Maloney, Wall, Gilroy, and McQuade, will be on the job. Whalen will again be found at right end, where he was the highest scoring end from forward passes last season.

Alex Anderson, varsity center, will also be on hand for another year's work.

Davidson College, scheduled to open the Georgetown gridiron campaign on September 29, has notified the Hilltoppers that no eleven will be available for so early a date and so the game has been canceled.

Georgetown will open its season with Lebanon Valley on October 6. The Pennsylvaniaans, though light all ways put up a fast, hard game against all opponents, and the Blue and Gray will be tested thoroughly in its very first battle.

The Georgetown schedule follows: October 6, Lebanon Valley; at Hilltop, 12; Y. M. C. A. Training School, at Springfield, Mass.; 20, Lehigh, at South Bethlehem, Pa.; 27, V. P. I., at Hilltop.

November 3, Eastern College, at Hilltop; 6, Fordham, at New York; 10, Navy, at Annapolis; 17, Washington & Lee, at Honoake, Va.; 24, Susquehanna, at Hilltop; 29, (Thanksgiving), open.

Ordered To Report.

All members of the 1916 varsity squad have been ordered to report here next Monday. Of course, it is known that a large number have entered the army or the navy, but those intending to return to college will be expected to show up for the first practice next week.

## LOVERS OF RACING FLOCK TO HAVRE DE GRACE MEET

Washington lovers of racing have begun to live once more. For the opening day of the Havre de Grace meeting almost 500 left the Capital on a special train for the track and the railroad officials look for this number to be even larger before the meeting ends.

The triumph of Flittergold in the Old Bay Handicap, an event for three-year-olds and upward, featured the first day's racing. The heavily backed St. Isidore disappointed its followers. Priscilla Mullens and Uncle Bryn, who won the race, carried the favorite wide at both turns and strength was lacking for the final furlong.

The Belmont castoff was given little consideration by the speculators, for all attention was glued upon St. Isidore, the favorite, and the Ross entry, Priscilla Mullens and Uncle Bryn. So when it came time to pay off a \$2 winning ticket on Flittergold called for \$19.20, which was the largest price of the afternoon.

Six is the Race.

Six thoroughbreds, looking fit for the race of their lives, left the mile and seventy-yard barrier almost as one, and going to the first turn Priscilla and J. J. Lillis fought it out for the honor of setting the pace.

Priscilla proved to own the fastest set of running legs and socks was making the pace for J. J., with King Neptune third, St. Isidore fourth, Flittergold fifth, and Uncle Bryn last. On the lower turn Priscilla was through and J. J. moved into the lead.

It was here that Flittergold began to move up on the outside and looked threatening. Every leap out down the stretch J. J. held and well along in the home stretch J. J. was a beaten horse. Flittergold closed like he used to in the final eighth and, of course, it was no horse race. J. J., although tiring badly, hung on like a leech and grabbed second honors from St. Isidore by a good three lengths. St. Isidore, although played to odds on, did not run like one and never figured in the running for the purse.

## RED SOX CONCLUDE VISITS HERE WITH GRIFF TEAM TODAY

Today the Boston Red Sox, fast fading out of the 1917 pennant race, close their season's campaign at Georgia avenue. So far they have been unfortunate, losing two out of the three contests played with the Griffins. Now they must win today to break even.

Walter Johnson led the champions down with two hits yesterday, while his own supporters collected thirteen, yet the big fellow just barely managed to win, 4 to 2. Poor support in the eighth, when Johnson had a shut-out in front of him, enabled the visitors to tie up the count.

Alnathm opened the ninth with a single to center. Johnson cracked a single to left. Agnew's bad throw to second let Alnathm reach third. Henry, hitting for Horace Milan, forced Johnson, but Hank Shanks busted it wide open with a bingle, and Alnathm came over with the winning run.

## PREP SCHOOLS OUT FOR FOOTBALL AT START OF SESSION

While the Army and Navy Preps have done some preliminary football work, Gonzaga College High School appears to have gotten the jump on the prep schools of the city. Real work will begin with the start of the scholastic year.

Coach Cuthbert Farmer, who has had charge of several local schools during past years, is in charge of the North Capitol street side, and prospects are unusually bright. The school has never boasted large teams, but has managed to hold its own with the others.

Several new men from last season's squad are expected to make the eleven considerably heavier. There are many veterans on hand, and from indications the school will have a successful season on the gridiron.

Among those who remain from last year are Murray, Sullivan, Morris, Sheehan, Costello, Taylor, McCabe, Naitay, Dwyer, and Collins. Games will be scheduled with the high schools and preparatory schools.

At Army and Navy Prep Frank Newberry expects to get his candidates out in short order. The Preps have but few remaining as a starter from last year, but expect some first class candidates later in the month.

Georgetown Preps will probably get out later in the month, when the boys come back from their vacations. The Preps are late in starting. Just who will coach the eleven has not been made known. Charles McNiff is captain of the team.

## PRINCETON AND RACQUET IN STRETCH FOR HONORS

Despite a number of postponed matches in the Suburban League, the race has developed into a nip and tuck affair with Princeton Heights and the Racquet Club struggling for the leadership.

Suburban League fans look for two things. Last year's leaders, the Racquet Club, with an array of strong doubles teams, is expected to drag the schedule over until next week.

Princeton has three matches with Euclid which will be run off today. These engagements are hold-overs from Saturday a week ago. In addition, Princeton has four matches to be played with Holmead. These engagements will be played tomorrow and Friday.

Racquet has two matches to be run off with the Argyle Club and three with the Home Club. In the Argyle engagement of two weeks ago Racquet took five straight matches. Sunday the postponed matches, four in number, with Home Club were played.

Princeton is still one match ahead of the Racquet Club, despite the defeat of Jack Dudley by John Holmead in No. 2 singles Sunday. The Holmead man defeated Dudley 2-5, 7-5, and 7-5. As Princeton was one match ahead of Racquet, it was thought that the teams were tied up for the leadership.

Racquet, in taking on Home Club, met a tartar in "Doc" Greene, No. 2 singles man, who carried Hiram Cash over the jumps. Cecil Dowd, No. 1 Racquet singles, is slated to meet Robert Candor, Home Club crack, in No. 1 singles.

Racquet meets the Argyle Club in the two remaining matches as soon as possible, and is attempting to get the remaining Home Club engagements played off tomorrow and Friday.

Every effort will be made to run off the schedule by Sunday. With Princeton leading by one match and with fourteen more to be played anything is expected to happen. Racquet has twelve to play before the season is over.

None of the other Suburban League clubs is within hailing distance of the leaders. Petworth, the next opponent of the Princeton Club, recently took five engagements out of seven from the Home Club. Racquet is scheduled to meet the Euclid team in its final match.

## BOB BROWN SLATED TO HEAD NATIONAL LEAGUE NEXT YEAR

NEW YORK, Sept. 12.—Bob Brown, of Louisville, Ky., will be elected president of the National League at the annual meeting next December. This information has leaked out from a close friend of John K. Tener, who has already announced that he will not be a candidate for the place again.

Brown is an old-time baseball man and a close friend of Barney Dreyfuss and Garry Herrmann. They mentioned his name as a possible successor of Tom Lynch, but Tener was finally settled upon as a compromise candidate.
